3. That on verification of documents and the grounds of Revision and Para wise remarks as well as the other documents and material available on the record it is noticed that originally on a Petition filed by the father of Revision Petitioner Matla Suggireddy an enquiry was conducted by the Sub-Collector, Rajahmundry and District Forest Officer, Kakinada and submitted the report. The report clearly reveals that the land in the present subject matter not a forest land and the said person raised the teak plantations in the year 1936 in the said land at his cost and he is entitled to enjoy the yield. Accordingly, as per the orders of the Collector, Kakinada vide R.Dis.21793/68 Dated: 02.05.1969 the said Suggireddy enjoyed the yield and planted teak plantation fresh. The said land in possession of Suggireddy during the life time and after his demise that the children became successors. That as seen from the earlier permission itself is conclusive proof that the land is in possession of Suggireddy and after his death his children and further the land is Mutta Land in nature. The children of Suggireddy being tribes admittedly that they are entitled for grant of patta in their favour in view of their possession. It is also noticed that the rejection of the request of the Revision Petitioner for cut and carry the teak plantation is only as no patta was granted to them. As seen from the record that the Revision Petitioner and

(P.T.O)

their ancestors is in possession of the land since more than 80 years and in the said circumstances they being the tribes entitle for pattas.
